

ANNUAL REPORT ON CSR ACTIVITIES

1. Brief outline on CSR Policy of the Company:

Corporate Social Responsibility (CSR) is a means to balance economic, social and environmental objectives while addressing stakeholder expectations and enhancing shareholder value. It is a responsible way of doing business.

The objective of CSR framework at Nucleus is to encourage the stakeholders to have a more meaningful engagement with the business rather than the often-prevalent one-sided expectation driven engagement.

Your Company has set up Nucleus Software Foundation (NSF), a Trust for the purposes of undertaking CSR activities of the Company.

As per the CSR Policy, the objective of CSR will be achieved through concentrated and dedicated initiatives/projects encompassing the following identified core areas:

Education –

- To encourage the development of human capital of the country by expanding human capabilities through skills development, vocational training etc. and by promoting excellence in identified cultural fields.
- Including special education and employment enhancing vocation skills specially among children, women, elderly and differently abled and livelihood enhancement projects.
- providing basic computer based literacy programs for unprivileged children in nearby villages.
- Assisting in providing better infrastructural facilities to schools for construction/renovation/repair of hostels, school buildings, classrooms etc.

Health & Medical Care –

- Promoting preventive health care measures
- Assisting in providing better infrastructural facilities to Medical Centers/Hospitals/Dispensaries etc.
- Actively supporting healthcare programmes of nearby localities.

Community at large –

- Setting up homes and hostels for women, orphans, setting up oldage homes, daycare centers and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups.
- Promote employment opportunities for differently abled persons.
- Development of rural based projects

Environment

- Promote ecological balance, protection of flora and fauna, animal welfare, conservation of natural resources and maintaining quality of soil, air and water.
- Promoting recycling waste for energy production and installation of solar panels.

Your Company has set up Nucleus Software Foundation (NSF), a Trust for the purposes of undertaking CSR activities of the Company. This Foundation, established in 2014 as a Section 25 Company, works towards its stated mission: “Empowering underprivileged with essence of education and thereby better livelihood and better life”.

This year your Company’s CSR arm took a multi-pronged approach to help society to also deal with the repercussions of pandemic hitting the world. The detail of the initiatives taken and work done by Nucleus Software Foundation during the year is provided in Directors’ Report and in other sections of this Annual Report.
