In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate audited financial information of the subsidiaries, the aforesaid consolidated annual financial results:

- a. include the annual financial results of the following entities:
 - i. Nucleus Software Exports Limited
 - ii. Nucleus Software Solutions Pte. Limited
 - iii. Nucleus Software Inc.
 - iv. Nucleus Software Japan Kabushiki Kaisha
 - v. Nucleus Software Netherlands B.V.
 - vi. Nucleus Software Limited
 - vii. Nucleus Software Australia Pty. Ltd.
 - viii. Nucleus Software South Africa (Pty.) Limited
- b. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- c. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of consolidated net profit and other comprehensive income and other financial information of the Group for the year ended 31 March 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (“SAs”) specified under section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those SAs are further described in the *Auditor’s Responsibilities for the Audit of the Consolidated Annual Financial Results* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of

Ethics. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub paragraph (a) of the “Other Matters” paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated annual financial results.

Emphasis of Matter

We draw attention to note 6 to the consolidated annual financial results, which describes the information security incident on 30 May 2021 involving a ransomware attack experienced by the Group. The management has initiated the process of containment and remediation efforts to address the event and to recover and restore impacted application and data. It has also initiated the process to investigate and ascertain the nature, extent and causes of data breach. The impact of this cyber security incident including any possible litigations and claims is presently not ascertainable. Our opinion is not modified in respect of this matter.

Management’s and Board of Directors’ Responsibilities for the Consolidated Annual Financial Results

These consolidated annual financial results have been prepared on the basis of the consolidated annual financial statements.

The Holding Company’s Management and the Board of Directors are responsible for the preparation and presentation of these consolidated annual financial results that give a true and fair view of the consolidated net profit/ loss and other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated annual financial results by the Management and the Directors of the Holding Company, as aforesaid.

In preparing the consolidated annual financial results, the Management and the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of each company.

Auditor’s Responsibilities for the Audit of the Consolidated Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated annual financial results, including the disclosures, and whether the consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group to express an opinion on the consolidated annual financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated annual financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled "Other Matters" in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated annual financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular No CIR/CFD/CMD1/44/2019 issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Other Matters

- (a) The consolidated annual financial results include the audited financial results of three subsidiaries, whose financial information reflect total assets (before consolidation adjustments) of Rs. 3,097 lacs as at 31 March 2021, total revenue (before consolidation adjustments) of Rs. 7,352 lacs and total net profit after tax (before consolidation adjustments) of Rs. 494 lacs and net cash inflows of Rs. 555 lacs for the year ended on that date, as considered in the consolidated annual financial results, which have been audited by their respective independent auditors. The independent auditors' reports on financial

information of these entities have been furnished to us by the management and our opinion on the consolidated annual financial results, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in paragraph above.

- (b) The consolidated annual financial results include the unaudited financial results of three subsidiaries, whose financial information reflect total assets (before consolidation adjustments) of Rs. 1,180 lacs as at 31 March 2021, total revenue (before consolidation adjustments) of Rs. 1,951 lacs and total net profit after tax (before consolidation adjustments) of Rs. 116 lacs, and net cash inflows of Rs. 133 lacs for the year ended on that date, as considered in the consolidated annual financial results. These unaudited financial information have been furnished to us by the Board of Directors and our opinion on the consolidated annual financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on such annual financial information. In our opinion and according to the information and explanations given to us by the Board of Directors, these financial information are not material to the Group.

Our opinion on the consolidated annual financial results is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial information certified by the Board of Directors.

- (c) The consolidated annual financial results include the results for the quarter ended 31 March 2021 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

5. In view of the pandemic relating to COVID-19, the Group has considered internal and external information and has performed an analysis based on current estimates while assessing the provision towards employee benefits and recoverability of right-of-use assets, trade receivables, investments and other current and financial assets, for any possible impact on the Standalone and Consolidated Financial Results. The Group has also assessed the impact of this whole situation on its capital and financial resources, profitability, liquidity position, internal financial reporting controls etc. and is of the view that based on its present assessment this situation does not materially impact these Standalone and Consolidated financial results.

However, the actual impact of COVID-19 on these financial results may differ from that estimated due to unforeseen circumstances and the Group will continue to closely monitor any material changes to future economic conditions. The Group had held back annual increments, variable pay at senior levels, confirmations of employees and new recruitments and cut down travelling expenses, marketing events and advertisement costs for the year 2020-21, because of the uncertainty unfolding due to COVID 19. The Group is keeping a close eye on the situation and is reviewing its decisions every quarter as per emerging situation. The Management has taken measures to compensate its employees through a special bonus which it has started distributing to its employees from the quarter ended 31 December 2020.

6. On 30 May 2021 (after the end of the period of 31 March 2021 to which these financial results pertain) the Group experienced an information security incident involving a ransomware attack and consequent isolation of impacted IT services. In response to this, management has immediately initiated comprehensive containment and remediation efforts to address the incident. Recovery and restoration of all impacted application and data is underway. The Group has also started the process to investigate and ascertain the nature, extent and causes of data breach. The impact of this cyber security incident including any possible litigations and claims is presently uncertain.
7. The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.
8. Property, plant and equipment and intangible assets used in the Group's business cannot be specifically identified with any of the reportable segments, as these are used interchangeably between various segments.
