To

Board of Directors of Nucleus Software Exports Limited

We have audited the quarterly standalone financial results of **Nucleus Software Exports Limited** for the quarter ended 30 June 2018, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the 3 months ended 31 March 2018 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year.

These quarterly standalone financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial results based on our audit of such interim standalone financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) for Interim Financial Reporting (Ind AS 34), prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of Listing Regulation.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

Based on our audit conducted as above, in our opinion and to the best of our information and according to the explanations given to us, these quarterly standalone financial results:

- (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations; and
- (ii) give a true and fair view of the net profit and other comprehensive income and other financial information for the quarter ended 30 June 2018.

To Board of Directors of Nucleus Software Exports Limited

We have reviewed the accompanying statement of unaudited consolidated financial results of **Nucleus Software Exports Limited** and its subsidiaries (collectively referred to as 'the Group') for the quarter ended 30 June 2018 attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the 3 months ended 31 March 2018 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these consolidated financial results based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity specified under section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the consolidated financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Attention is drawn to the fact that we did not review the financial results of certain subsidiaries. These subsidiaries account for 4.6% of the total assets as at 30 June 2018 and 16.4% of the total revenues for quarter then ended for the Group. Of the above:

(a) the financial results and other financial information of a subsidiary incorporated outside India, which accounts for 3.9% of the total assets as at 30 June 2018 and 15% of the total revenues for the quarter then ended, for the Group have been reviewed by other auditor duly qualified to act as auditors in that country, whose report has been furnished to us by the other auditor. For the purpose of preparation of these unaudited consolidated financial results, the aforesaid local GAAP financial results have been restated by the management of the said entity so that these conform to the generally accepted accounting principles in India. This has been done on the basis of a reporting package prepared by the Company which covers accounting and disclosure requirements applicable to the unaudited consolidated financial results under the generally accepted accounting principles in India. Our opinion on the unaudited consolidated financial results, insofar as it relates to this entity, is based on the aforesaid review report of the other auditors; and

(b) the financial results and other financial information of the remaining subsidiaries have not been subjected to review either by us or by other auditors, and therefore, unaudited financial results for the quarter ended 30 June 2018 of these entities have been furnished to us by the management. These subsidiaries account for 0.8% of total assets as at 30 June 2018 and 1.4% of the total revenues for the quarter then ended as shown in these unaudited consolidated financial results, and therefore are not material to the unaudited consolidated financial results, either individually or in aggregate.

Our conclusion is not modified in respect of these matters.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited consolidated financial results prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.
